Rooms & Suites

True to our mountain heritage, Richmond Inn has the historic architectural style of a cantilevered barn, the hallmark of the Great Smokies. Rates include occupancy for two, full “sit down and relax” breakfasts, afternoon tea and sweet treats, gourmet desserts and coffee by candlelight, in-room hair dryers, coffee makers, and Wi-Fi.

Main Inn Rooms

Each of the 10 rooms is named after a colorful character of local history, capturing the spirit of the decor in that person’s era. Rooms on our first and second floors are uniquely appointed with fine antiques, artwork, and colorful fabrics. While romantic music fills the air, these luxurious rooms nurture the mood with their splendid views, whirlpools for two, and wood-burning fireplaces. Our third floor area is called “Sacred Ground.” With its Native American decor, this space is dedicated to the memory of Native Americans, particularly our good friends and neighbors, the Cherokees. This area is well-suited to groups of 6-8 people occupying these three rooms and socializing in the larger Nancy Ward room.

Chalet Luxury Suites

Treat yourself and your loved one to a luxurious experience at an affordable price. We call it winding down and relaxing from the workaday world. It’s called “me time” or maybe “just us time”. Wash away your stress with a rainhead sprinkler and body sprays in a sensual, glass enclosed shower that is large enough for two. Soothe your muscles with a “state of the art” massaging spa tub. Relax with a glass of your favorite wine or an Evian from the in-room bar and fridge. Sit back and view the spectacular Smokies while listening to the music of your choice on your Bose Satellite Radio. Drift off to sleep enveloped in “comfy micro-fiber sheets” as the fire dies down. Each of the 4 suites is tastefully appointed with American, English or French decor.

Groups, Meetings & Weddings

After more than forty years of combined experience in both large and small companies, Susan and I are convinced that the most productive, the most interesting, and the most fun meeting places have a unique, relaxing and informal atmosphere. Our new Chalet is just that!

Richmont Inn is ideally suited for small business groups, corporate boards/sales staff, training seminars, church or social groups, family reunions, birthdays and small weddings.

The conference/dining room is well suited for a business center seating up to 16 people. The Great Room with its viewing deck can accommodate 20-25 people comfortably for a buffet/stand up-dinner or cocktails. Its elegant decor and spectacular views are receiving rave reviews! Our outdoor wedding pavilion comfortably holds 12-16 people, and its beautiful outdoor setting requires no extra decoration.
